Today like any other day,
the sun will rise.
Each dawn to be a new
beginning.

Your hopes and dreams can be your guide,
for they, too, can become reality.
They can be created, but
everything relies on time . . .
Time to grow—to search—to dream—
to plan—to share—and most of all—
to love—to be loved.

Nobody's goal is out of reach;
If you set out to capture it with
care, confidence, determination and pride.
And if followed out, it can be reached.

Today is your beginning,
strive for the life you want to live,
The waiting path of life is not always paved for you.
For life is filled with many adversities,
your strength lies in your ability to ever begin
a new.

You must begin now;
Your future awaits you!

—Mary Beth Szumigala 1978

ADMINISTRATION

Walter Strosser, Principal

Arthur Detzel, Assistant Principal

Miss Rutherford, Substitute Assistant Principal

For the past six years, Twin Tech has been offering vocational education to more than 40% of the secondary students in the Erie School system. The performance of our alumni has reflected very favorably on the advantages to be gained from our curriculum. We have great faith that the class of "78" will equal or exceed the deeds of previous classes here. Certainly, they have been one of the most cooperative classes we have ever had.

This year marks two important changes in our school administration: Mr. Lubowicki replaces my associate of many years, Mr. Donovan, as principal of the Green Session. Welcome aboard!

Finally, - This spring marks the retirement of Mr. Arthur "Duke" Detzel and I shall miss him greatly. I am sure the entire staff and student body share my sentiments concerning our dedicated Assistant Principal.

—BEST WISHES TO YOU ALL—WALTER STROSSER

IN MEMORIAM

The Tech Faculty and Student Body were deeply saddened by the untimely death of Mr. Sam Cipalla, who served as our plumbing instructor for a number of years. In his own quiet way, Mr. Cipalla had established an intimate rapport with all of his students. From his practical experience in his chosen field, he was able to prepare his students to cope with many of the problems that they would encounter in real life experiences. Mr. Cipalla's warmth and sincerity endeared him to all who knew him. He was a true friend of Tech Memorial and will be missed by all.

What makes sophomores stronger? Milk does!

Trying to tell us something, Boys?

"Butter."

"Maybe it's my breath."

Patty put her money where her mouth is.

Yes, Rita, the butler did it.

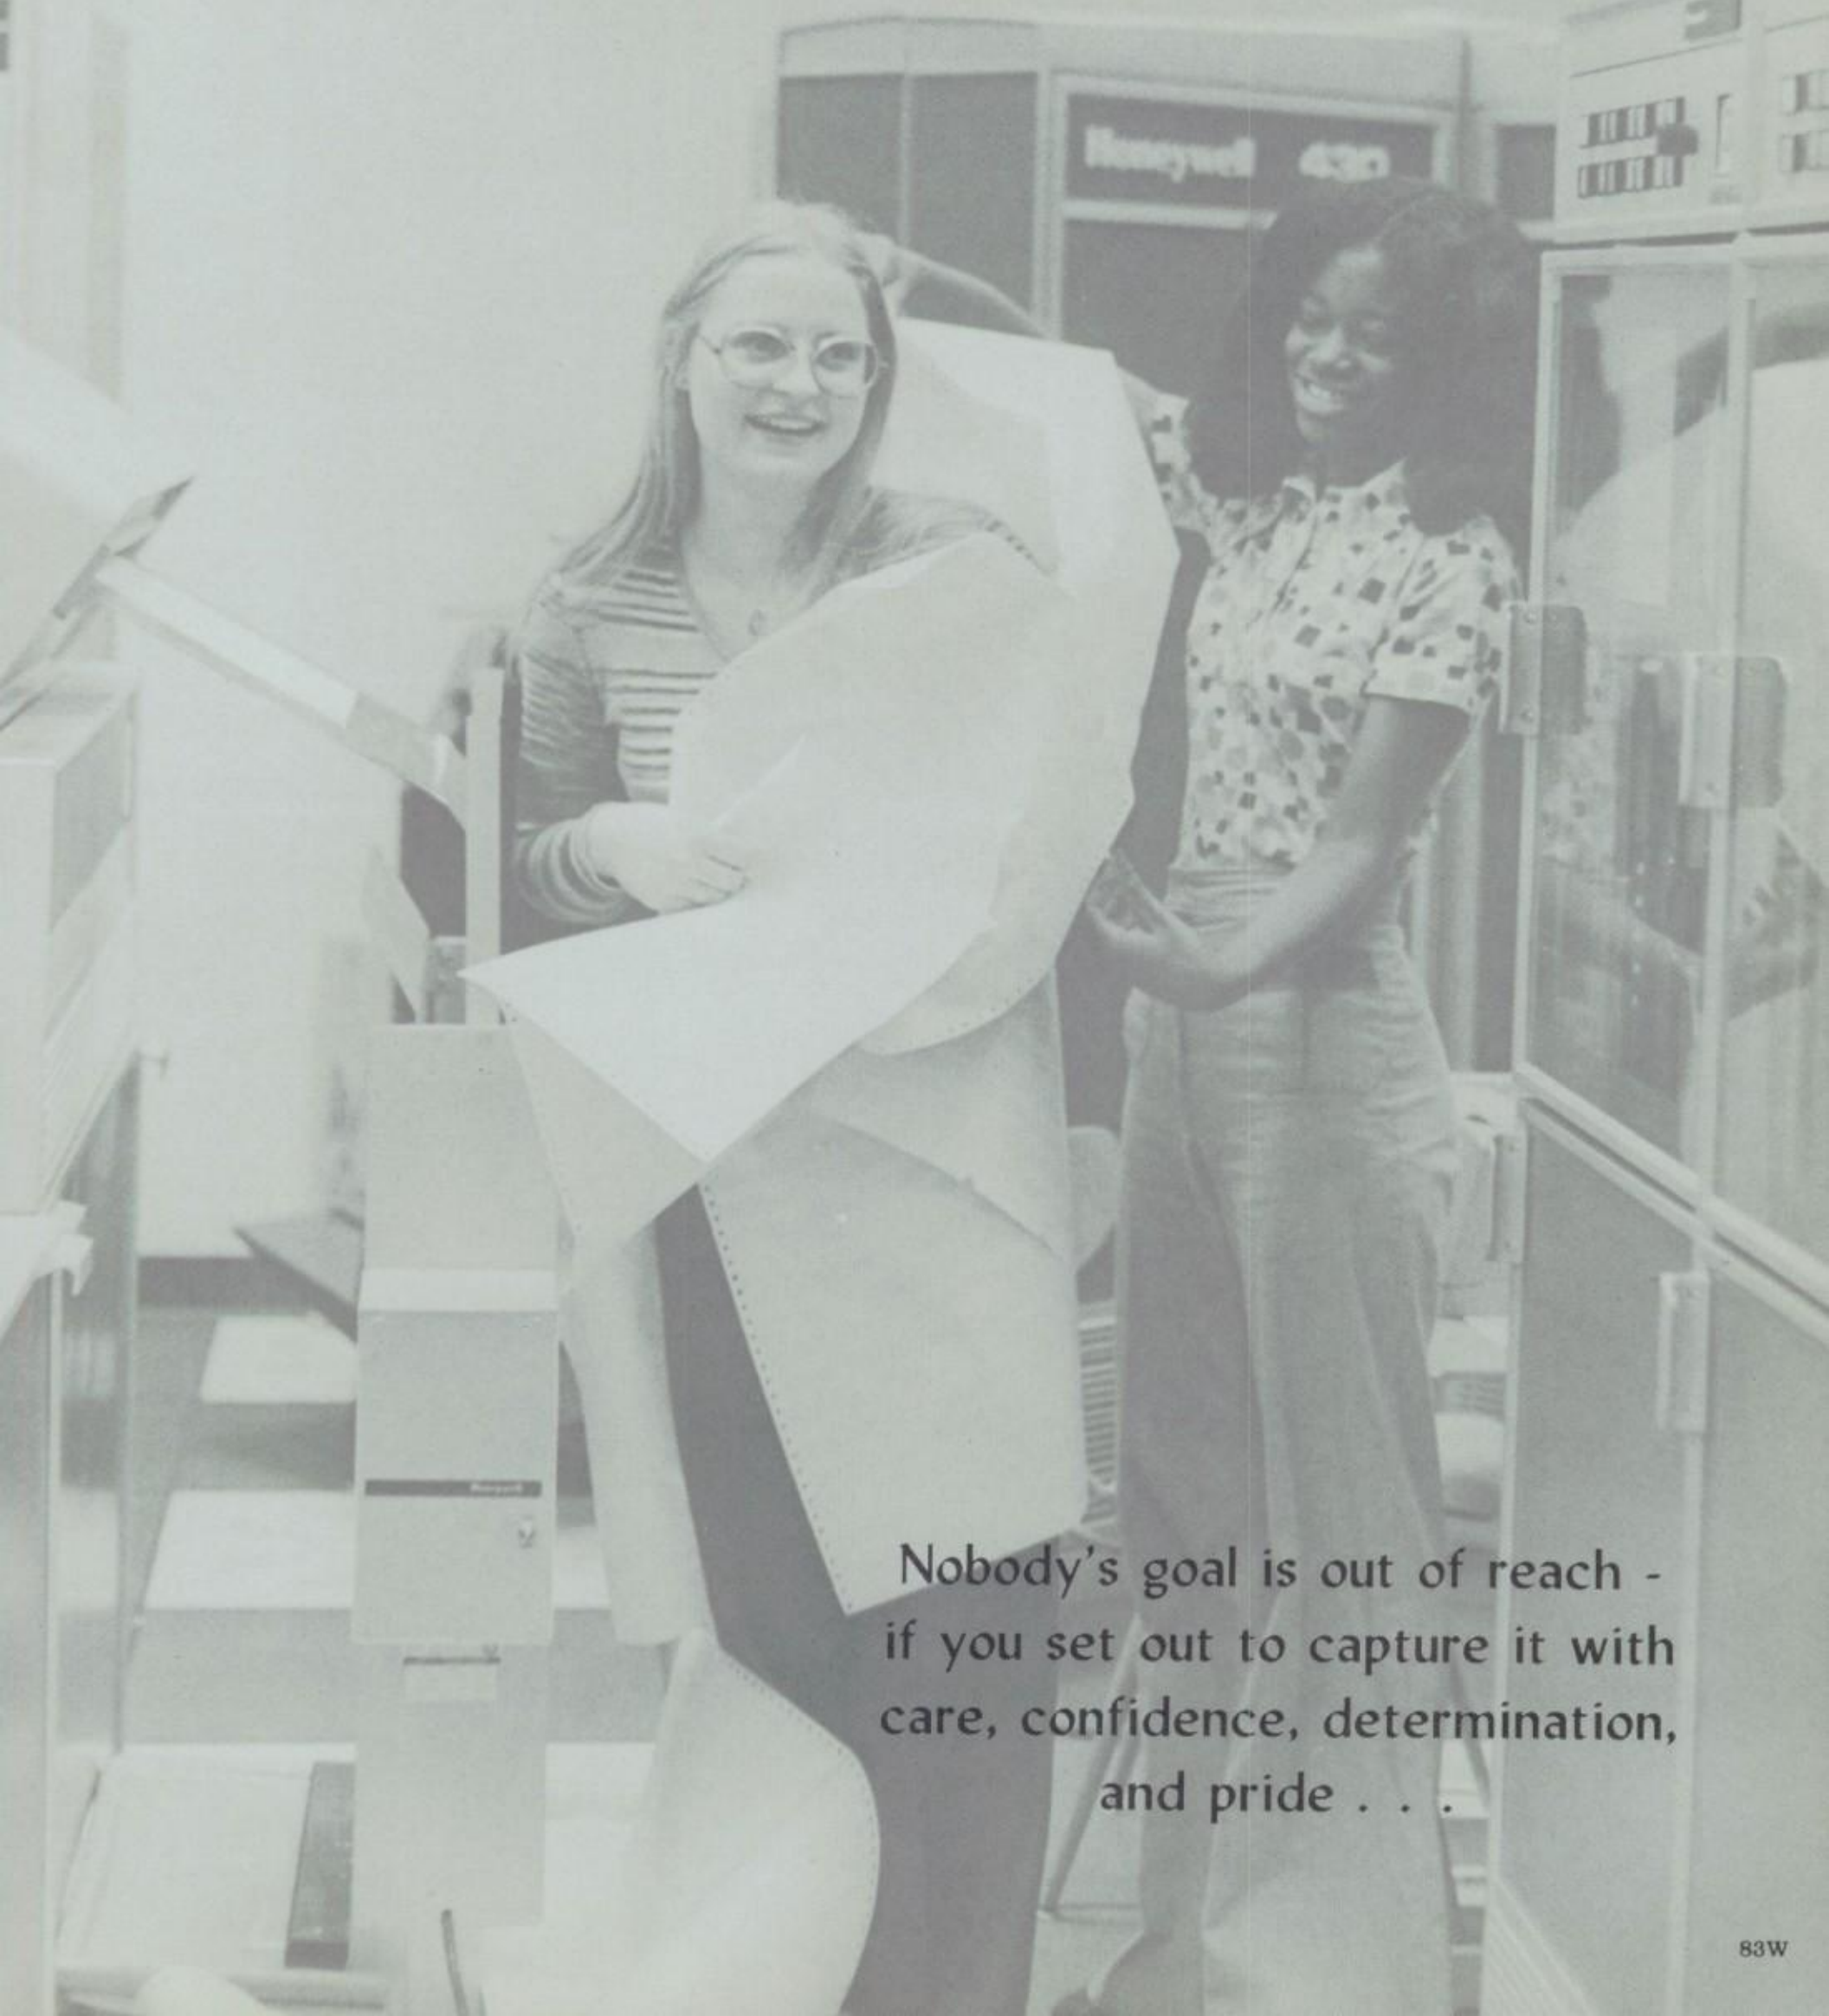
"Ribet."

"I'll raise it to $10."

UNDERCLASSMEN

But most of all—to love—
to be loved

CLASSES AND SHOPS



Nobody's goal is out of reach -
if you set out to capture it with
care, confidence, determination,
and pride . . .

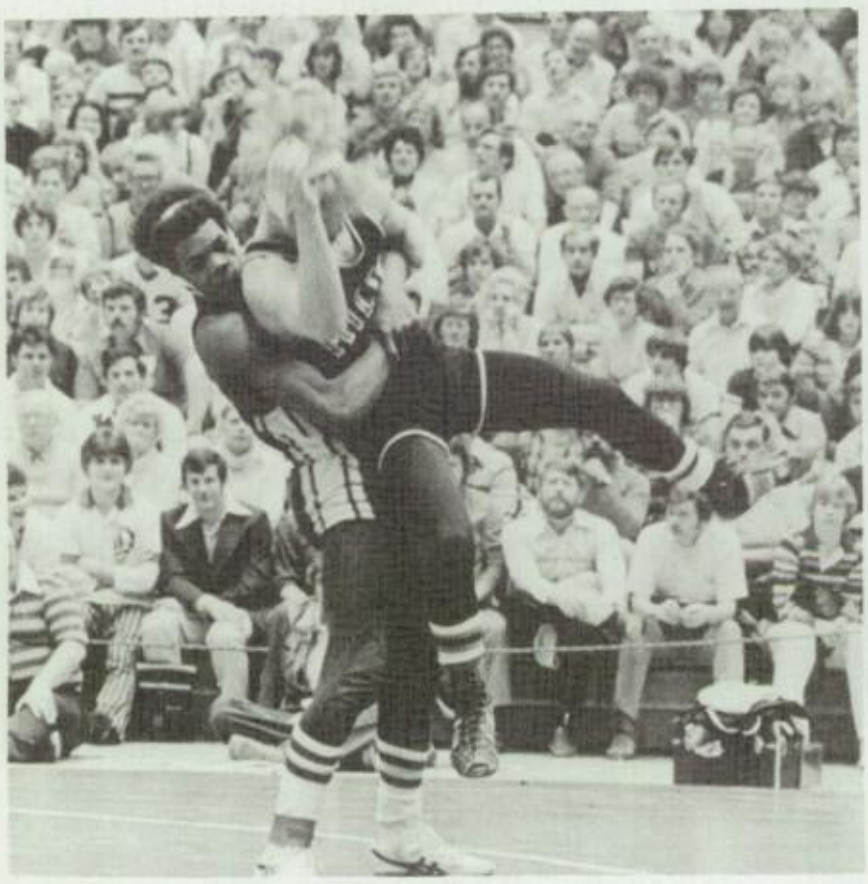
A DREAM COME TRUE

PROFILE OF A CHAMPION

Dean Smith, one of the best wrestlers to slip on a headgear in Erie, posted a season mark of 27-3, compiling a dazzling four-year mark of 89-12-1. Owner of 4 city titles, 1 outstanding wrestler, 3 sectional titles, 4 time district and regional finalist, he is Tech's second P.I.A.A. State Champion and also Tech's second representative in the Pittsburg classic pitting PA vs. USA wrestlers in an All Star meet.

His dedication, leadership, and desire, along with his natural wrestling ability, were always exhibited on the mat. The smile on Dean's face, as the ref raised the champs arm, captured the heats of many fans. Tears of joy and emotions ran high that moment for Dean and his coaches.

CONGRATULATIONS DEAN SMITH—"YOUR DREAM CAME TRUE" and hats off to Coach Tom Carr for another P.I.A.A. State Champ.



Dean exhibits great control.

"Smile, you're a State Champ!"

Tears of joy and honest emotion.

The glory of it all.

beginnings and ends

the sun is up, and so am i
i look up at it and squint, as i wait
for the last time
for the bus that will be full
of friends and books and heavy eyes, yawns and
last-minute homework.
in the beginning
when everything was new
the halls seemed longer, the faces strange;
how i longed for the familiar life i left behind.
but i was not the first
nor the last to feel this way.
i think of classrooms
where fumbling figures became skilled hands
and of the ones who taught so much
but have so much yet to learn.
i had grumbled and complained of these days
but now i find i miss them more than i'd ever guessed;
so hard to say goodbye to one world
when i don't know what to expect from the next.
but it happens continually – beginnings and ends.
so confusing; sometimes i just want to run
from it all, but i stay and adjust and make new ways
my own, and i learn to enjoy change.
today is a turning point;
the end
of four years
the beginning
of my future.
ah, here comes the bus now.

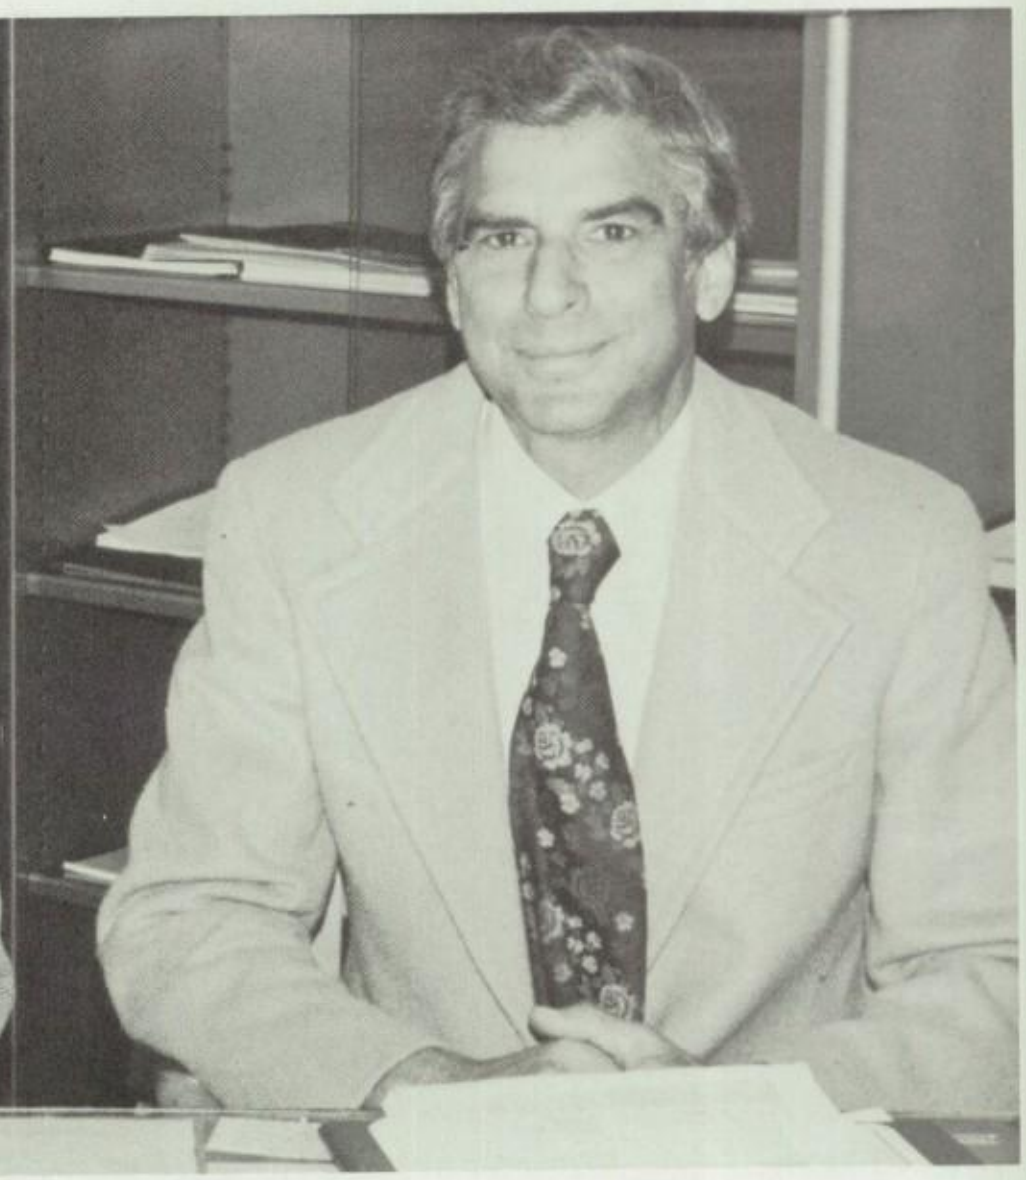
ADMINISTRATION

Mr. Lubowicki, Principal



Mr. Ricart, Asst. Principal.

School is a place where every child should have the chance to become emotionally and socially mature, as well as to develop intellectually to his fullest capacity.

I am proud of the wholesome "give-and-take" attitude in our classrooms. The students demonstrate their concern and willingness to solve social problems. I feel the teachers now, more than two decades ago, are dealing with the whole range of human concern—academic, social, economic, physical and emotional.

A. J. Lubowicki
D. Ricart

Clerks- Ms. Betty Weber; Ms. Marion Magee; Ms. Esther D'Aurora.

ADMINISTRATION

Mr. Tim Holland, Counselor

Mrs. Catherine Rose, Counselor

Mr. Ronald Costello, Counselor

Vocational Directors- Mr. Jakubowski, Mr. Pilker, Mr. Tempestini

Mr. Morehouse, Counselor for Job Service.

IN MEMORIUM

Nick R. Quintilliano (October 8, 1917 - October 24, 1977) was born in Ridgway, Pa. He was a graduate of St. Leo High School in Ridgway, and also attended Behrend College, Gannon College, and the University of Pittsburgh. Nick was a veteran of WW II, During which he served as a teacher of auto mechanics with the U.S. Army. He taught Diesel and Truck Mechanics here at Tech Memorial for 2 years, and is truly missed by the students and faculty members.

A MEMORABLE CHRISTMAS ASSEMBLY

The mixed chorus sings nostalgic Christmas tunes.

Red Cross members gave life to the Christmas program.

Marilyn Smith portrays a jolly Santa.

". . . eight maids a milking . . ." brought on

Teachers joined in the program displaying their musical talents.

Gifts, to be distributed to area children in hospitals, pile up.

hysterical laughter.

Although assemblies this year have been few and far between, a most memorable one was the 1977 Christmas program. Traditional performances were given by the chorus and band, and the Red Cross put on a variety of skits. Members also collected gifts, donated by the students, and distributed them to children who had to spend Christmas in a hospital. But a most unusual aspect of this assembly was the participation of faculty members. Their talents included a kazoo band, Christmas carolers, and an unforgettable version of "The 12 days of Christmas." All who participated, or spectated, were certainly put into a holiday spirit.

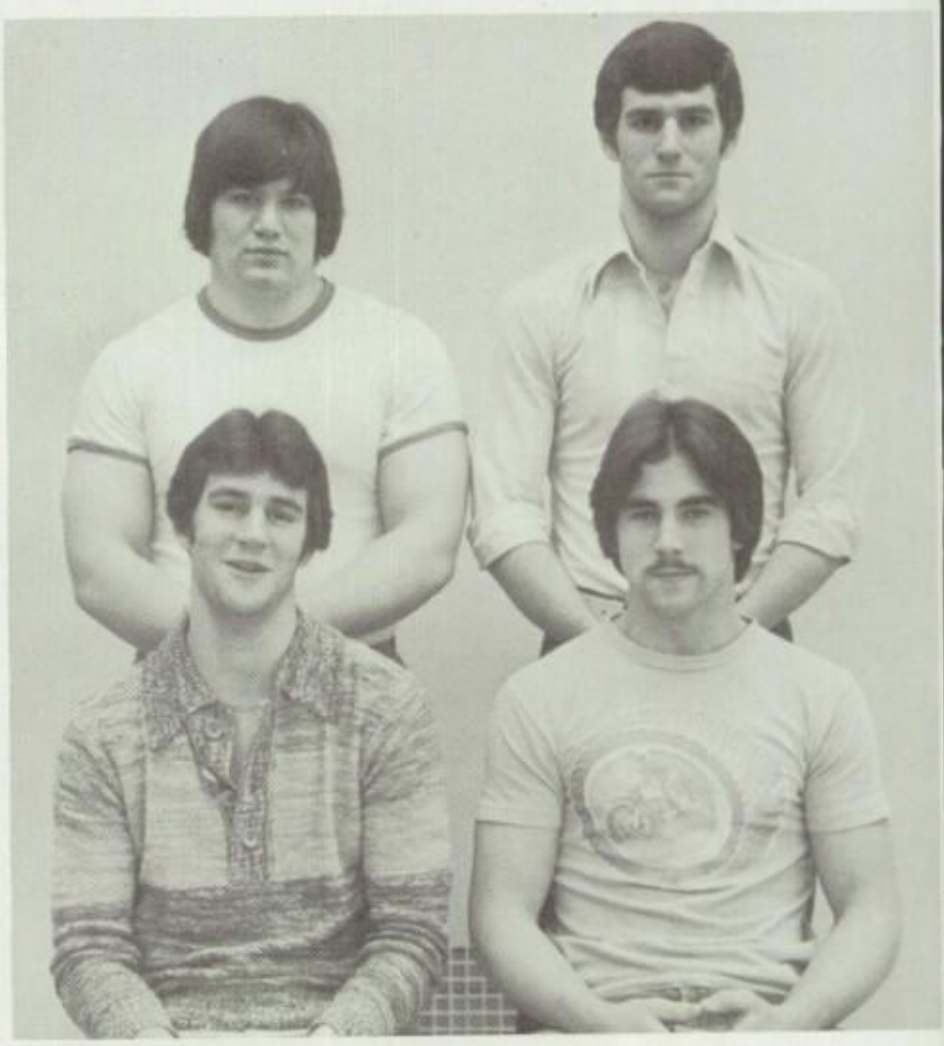
Holland, P. Sullivan, T. Perry, S. Grega, P. Remek.

The Male Athletic Honor Society has changed its format. We no longer sell at functions in the Gym to raise money for trips. It is primarily a service organization honoring athletes who are also scholars, as a 2.5 grade average must be maintained. A certificate is given to first year members and when a person becomes a senior with 2 or more years of membership, a pin is given to him.



Row 1. Tony Finotti (Vice-Pres.), Jeff Guild (Pres.). Row 2. Mike Smith (Sec.), Mike Finotti (Treas.)

Virginia Sheehan is preparing salads.

We work from seven thirty

Till three o'clock you see,

To prepare your lunch and snacks

Which are delicious you'll agree.

We try to be real cheerful

And we really try to please,

A smile from you, a word of praise

Would help us through a trying day.

The Cosmo Club enables the members to raise funds so they can bring in guest stylists and to honor the graduating Cosmo students. They have a meeting once a month to plan their activities. Some of their activities include a bake sale, a skating party, a Christmas banquet, and group toboganning.

DRAMA CLUB

Linda Ignasiak portrays Laurie in the production of "Oklahoma!"

In past years, the Drama Club received funds from our profits on the Canteen machines that were in the front hall. Since the machines were taken out, that left the club in a tough spot, financially. But with the cooperation of members, canisters of popcorn were sold to raise money. Also a small admission was charged at the play, which was held February 22, 23, and 24. This year's production was Rogers & Hammerstein's "OKLAHOMA!" Despite the Drama Club's drawbacks, they put on an absolutely fantastic show, much thanks to the advisors Mr. Schneider, Miss Barthelson, Mr. Lute, and Mr. Smykowski.

Kim Kohler and Renee Weary type their "bill" for final copy.

"CHICO" Randy Evans and Chris Nejman explain their "bill" at a committee meeting.

Model United Nations has a two-fold purpose. First, it brings together college and high school students so that they may work as a team in participation in extracurricular activities. Second, the Model U.N. is a means of giving students the opportunity to learn more about world problems and in discussions which attempt to find solutions to those problems. The months of preparation which precede the 'big meeting' serve as a true learning experience. When they leave the international get together, they go away with pride, and feelings of accomplishment and personal enrichment. Opportunities for athletic competition at Tech are provided in many areas. However, opportunities for intellectual competition are rare. Model United Nations is one answer for students who desire this type of competition. Peg Tronetti (Advisor)

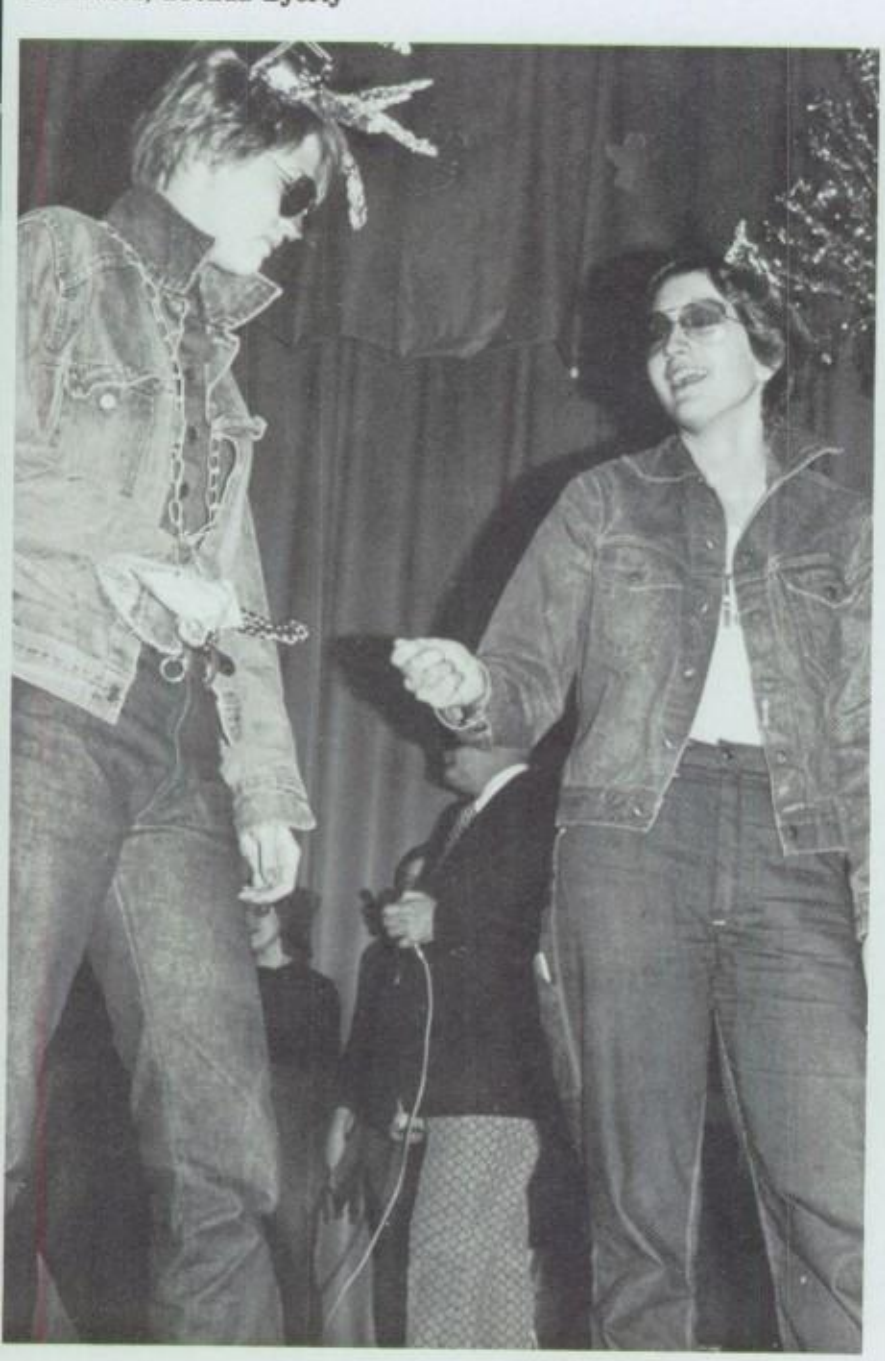
From Halloween fun to a Christmas Assembly to Easter Doings the Red Cross has had a most memorable year, brightening hospital stays with plenty of smiles and an abundance of fun. The members worked hard along with Mr. Skol putting on the many worthwhile activities while still keeping up with school and its demands. The Christmas assembly with the modern Reindeer and Santa at his best delighted the whole student body. The officers this year were Jeanne Gregorek- pres. Vice pres. Brenda Byerly, Sec. Tina Snider and Treas. Diane Zietler.



"Hey Rudolph, Oh YA!" . . . Liz and Jeanne

The smiles make the efforts all worthwhile!

The Valentines Dance sponsored by the Senior Advisory Board was a great success, thanks to the tremendous turnout.

The Valentines Dance entertainment was provided by the group "WAVE".

The Senior Advisory Board consists of student representatives elected by the Senior Class. This year's Board sponsored a Senior Roller Skating Party at United Skates of America, and a Valentines Dance held here at Tech. They plan to sponsor many more activities throughout the remainder of the year.

SKI CLUB

"Downhill is easy . . . now if I'd only learn to stop!"-Renee Domowicz

"Need a lift?!"-Bob Ruscitto

This is the second year the green session has organized a ski club, with a much bigger turnout than last year. Together with their advisor Michael Kubasik, members meet every Tuesday night at Peek 'n Peek. Eight one-hour ski lessons are included with a membership, with unlimited skiing afterwards. Considering the hard winter we've had, the biggest problem seemed to be just getting out to the Peek, but once they arrived, members had many good times out on the slopes.

The Student Council is designed to help the students of Tech. They serve the student body by helping to determine student policies and by regulating fund raisers and assemblies.

Student Council achievements for the 1977-78 school year include the changing of the locker decals, the decorations on the tree and hallways for Christmas, and the writing of articles and amendments for a student constitution.

The officers for 1977-78 were: President Tony Finotti, Vice-President Mike Finotti, Secretary Toni McIntosh, Treasurer Tina Snider, Historian John Scarzinski, Advisor Mr. Oldham.

Lori Dunst and Mike Finotti change the decals on the lockers.

Members of Student Council trim the Christmas tree.

YEARBOOK SALES

This year's yearbook went up in price. Sales were low. But, this did not stop the yearbook sales staff from doing their usual great job.

The man behind this great sales team is Mr. John Esser in room 160. To be on the yearbook sales staff you have to be a student in Mr. Esser's Print shop. You also have to be honest, considerate, and dependable.

A new world of understanding and discovery is waiting for TECH's students who have joined the YFU program this year. Youth for Understanding has families in 23 countries in South America, Europe, and the Far East who want students to join them in a life different from their own. Our students have been studying and meeting with other YFU students in preparation for their trip. Changing a lifestyle brings changes to the student. Each comes home with a new maturity and a better understanding of his own family and country.

Absent from photo- Kim Valentine

This year's yearbook staff is full of hard workers and bright new ideas. A combined effort from the green session's A.M. and P.M. staff, in conjunction with the whites session, results in a well-planned, memorable book. Our main objective this year was to introduce new concepts in the cover, shops and Senior sections, division pages, etc. We have enjoyed putting the 1978 Torch together and hope you will enjoy the results. A.M. STAFF- Diane Gianoni- editor, classes and shops; Judy Cichetti- classes and shops; Lynn Campbell- faculty; Marcie Massing and Chris Nejman- photographers; Kathy Lucas- typist; Junior Staff Members: Lisa Darr, Michele Grucza, Cindy Holland, Pat Callahan, Karen Noziglia, Kelly Petrunger, Phil Totleben, Kim Valentine. P.M. STAFF- Sharon Stockman- Editor, underclass; Renee Domowicz- seniors; Ron Laniewicz and Heidi Pommer- sports; Chris Dobuzinski- sports and cover design; Maria Biernik and Linda Kikstadt- photographers; Bob Ross- activities; Junior Staff Members: Dwayne Blanchard, Emylynn Portonova, Laura Steigmeyer and Hedi Waldinger

Renee Domowicz crops photographs.

"What now?!", Richard Flynn, yearbook advisor, seems to be thinking. In fact, it seems every time he turns around, somethings up. Photographs mixed up, computer sheets disappearing, over-excitble staff members going into hysterics - enough to make any man reach for that Excedrin bottle. In fact, the yearbook staff is so often in a state of chaos, that we follow closely by the following "laws":

MURPHY'S THREE GREAT LAWS

1. Anything that possibly CAN go wrong, WILL go wrong.
2. Anything that goes wrong will do so at the worst possible time.
3. Anything you plan will cost more and take longer.

MURPHY'S THREE MINOR LAWS

1. Anything you try to make absolutely clear will confuse everybody.
2. Anything you want to fix will require a tool you don't have.
3. Anything that seems to be going well is a delusion.

Don't let the smile fool you. Sharon Stockman, editor, is a real slavedriver!

Phil Totleben types copy sheets.

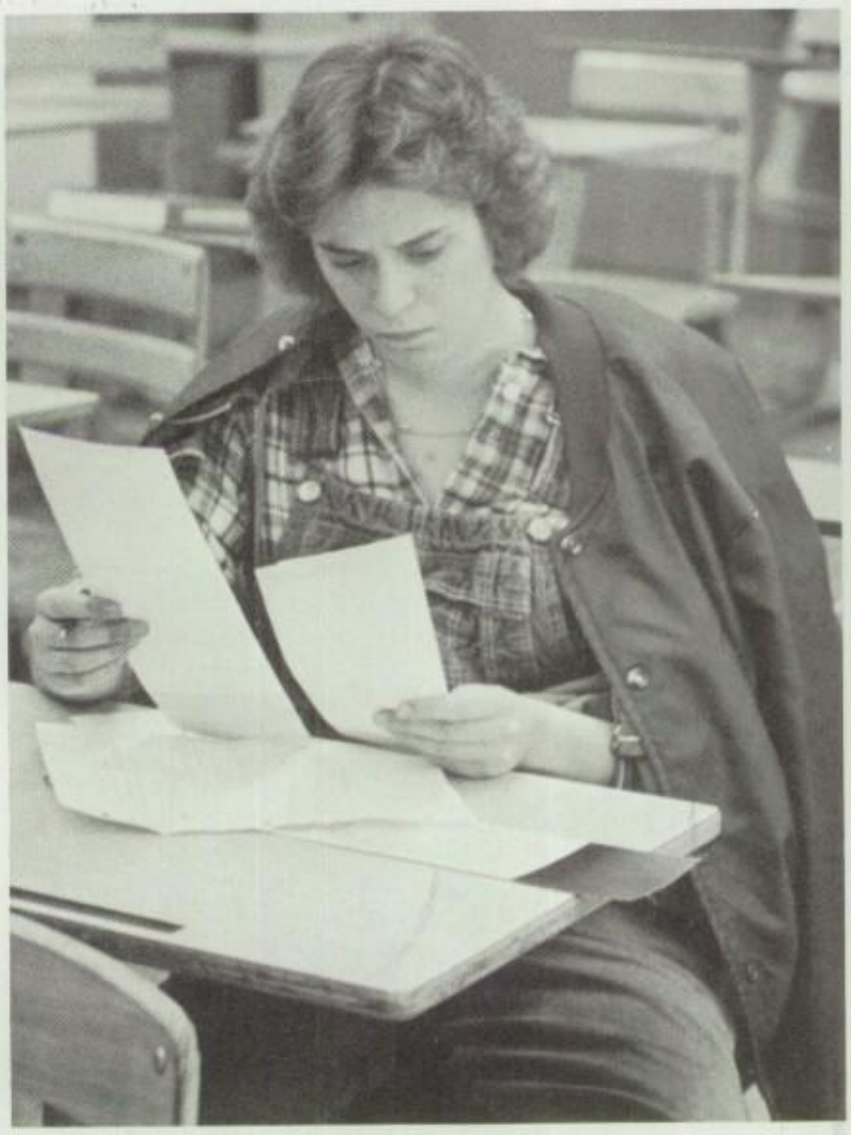
Co-editor (standing), Diane Gianoni, helps select photographs.

COURIER

Row 1 l. to r. Ann Burger, Charlene Fuhrman, Karen Kieklak, Patti Baron, Lisa Mammana, Judy Vannucci, Row 2: Debbie Grabowski, Debbie Hale, Janice May, Tony Finotti, Mary Beth Babo, Gary Slurkanich, Row 3: Chris Goodwin, Monica Way, Cheryl Cross, Cathy Heisler, Marilyn Smith, Lesa Shingle, Theresa Willey.

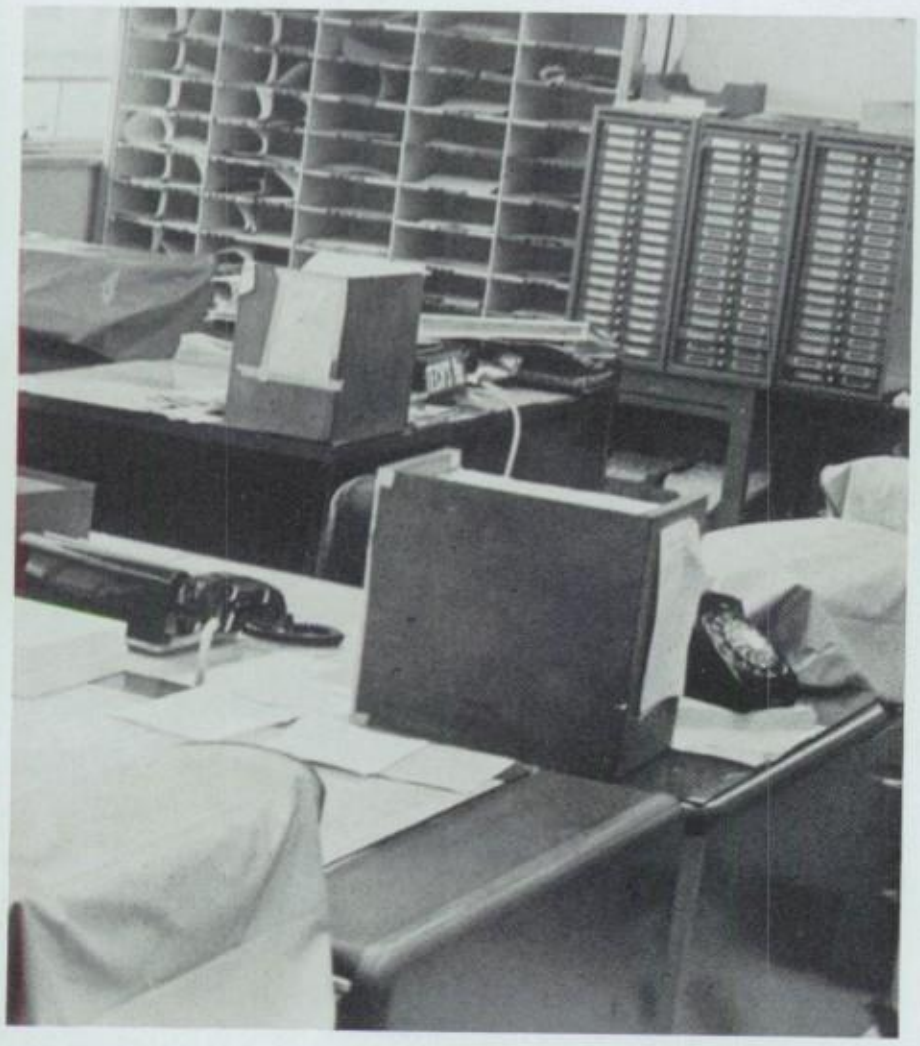
Lisa Mammana, Karen Kieklak and Mr. Kacpura put a layout together for the Courier.

The journalism class, advised by Mr. Kacpura, meets every day third period in Room 214. The news is collected in two different categories, Courier and Centaurian. The Courier contains all of the current events, happenings around school and in the Erie area. The Centaurian contains many editorials on student opinions about school, birthdays, sports, gossip, poetry, and other news pertaining to Tech and the Erie School District.



Cheryl Cross is proofreading materials for the Courier.

SECRETARIES STRIKE!



Telephones are silent, typewriters are idle as . . .

. . . Marion Magee and Esther D'Aurora picket outside the School District Building.

Betty Weber is happily back at work after a long "vacation".

Signs such as this were hung in the main office when secretaries returned.

The year started off with an unexpected twist. The teachers were here, the students were here, but . . . where were the secretaries?! The Erie School District secretaries were out on a 13-week strike, lasting from August 2 up to November 1. The strike might possibly have ended after the first 2 weeks, but there seemed to be a lack of communication between the secretaries and the School Board. The major problem was getting the two sides together to discuss important issues. However, the secretaries are now back to work and very happy with their contract.

TECH FOLLIES

The 45th Annual Tech Follies cast during the 1977 finale, under the direction of Mr. DiTullio, Mr. Vallimont, and Mr. DeFazio. Music under the direction of Mr. Lute.

Don Stolarski and Curt Gibbs, Save Your Life at the 1977 Follies.

Last year's Back Drop was designed by Chris Dobuzinski, Heidi Pommer, and Maria Biernik.

Every year there comes a time when the students here at Tech can show their talents in the Annual Tech Follies. This show consists of many acts: singing, dancing, instrumentals, and comedy. Every student involved puts forth much effort and many hours of practice to make the Follies what it is today. The show proved to be entertaining to people of all ages, and is a great success as it is every year. The advisors for the show are Mr. DiTullio, Mr. Vallimont, Mr. DeFazio, and Mr. Lute. Directors are Seniors, Marcie Massing, Stephanie Walker, Diane Gianoni, Juniors, Betsy Phillips, Jean Stolarski, and Sophomores, Diane Schultz, and Natalie Massing. The cast and everyone involved with the Follies would like to thank you for your support.

MARCHING BAND, COLOR GUARD, RIFLES AND TWIRLERS

The Tech Memorial Marching Band has come a long way since last year's "blue jean band."

On September 26, 1977, at the Erie Stadium, Tech took first place in class A at the McDowell Invitational High School Marching Band Competition. Class A consists of seven area high schools.

Tech also won trophies for the best drum majors, Larry Kownacki and Ed Nazimiec, and for the best color guard. The twirlers and the rifles, a new addition to this years band, also added color and flare to the half-time shows and assemblies.

Perhaps the new uniforms helped encourage the bands success, but much credit goes to Mr. Charles Lute, whose dedication and patience as their instructor brought Tech's band to the number one position they hold today.

The color guard performs a spectacular drum solo routine.

The majorettes preform a concert routine with their usual flair.

Larry Kownacki, drum major, directs with power and pride.

BOYS' BASEBALL

Coach Matlak gives the signs from 3rd base.

Kevin Litz prepares to slam another hit.

After two consecutive championship seasons, the 1977 Tech baseball team had to struggle hard to win 8 out of 20 games during the season.

With only two seniors in the lineup, the underclassmen saw a lot of action which means valuable experience for 1978. Most of the losses were close contests. Highlights of the season include an early season victory over Prep in which Jim Bick pitched a one-hitter. Tech pulled the major upset of the year in defeating Warren for their only loss of the season which included a district championship. The outstanding performer of the season was sophomore Kevin Litz who batted .320 and was a unanimous selection as an outfielder to the All-Metro League team. In league play the team took a third place in City Series and a fourth place in Metro League action. Coach Rich Matlak expects a good season in 1978 with a host of returning lettermen.

GIRLS VARSITY BASKETBALL

The girls basketball team ended their season with a 10-3 record finishing 2nd in the Metro League and a 15-5 over-all record. The varsity team went farther than any other Triple A girls team in the city's history, making it into inter-district strife, defeating Meadville and Clearfield, and then bowing out to North Catholic, who finally made it to the Western Finals. The Tech girls finished as one of the top 12 Triple A teams in the state.

Captains Chris Dobuzinski, Loretta Powell, and Auddie Truitt were chosen to the city senior all-star squad. Loretta Powell and Auddie Truitt also were named to the all-city first team, with Auddie being chosen unanimously for the 2nd consecutive year. Kim Przeprerski and Chris Dobuzinski were also given honorable mention to the all-city team.

Auddie Truitt and Chris Dobuzinski tie the school record of most points in one game, each scoring 32 points. Heading scorers for the season were Auddie Truitt with 229 pts., Kim Przeprerski 178 pts., Chris Dobuzinski 151 pts., and Loretta Powell 117 pts.

The team consisted of only three seniors but had a very strong bench with great depth of shooting and quickness. Some of the outstanding subs were juniors, Jane Burns and Becky Feikles, sophomores, Elaine Cross and Becky Burns.

VARSITY CHEERLEADERS

Confucius say, "Beat Prep!"

The 1977-78 Cheerleader consists of 3 squads: Varsity, Cadet, and J.V. All 3 squads attended Cheerleading Camp where they learned new cheers, pom-pom routines and chants. Camp was a good experience for the girls. The advisors, Mr. Valimont, Mr. DeFazio, and Miss Tomczak helped with the many fund raising activities. Having 3 squads of cheerleaders, school spirit spread rapidly!

Nate Carr carries the ball for a 1st down.

The 1977 Tech Centaurs entered the football season as definite "underdogs." Academy's Lions were very experienced and talented. Cathedral Prep was expected to be very strong. East High returned with a veteran group.

At Tech the prognostication was not good. The only veterans were Tony Lomax, Jeff Guild, Bob Kalivoda, Bill Charrelli, and Gary Firch. The rest of the team would have to be selected from "rookies" or seniors without much previous playing time.

The young players did an outstanding job of maturing quickly and getting prepared. Senior leadership was excellent, and the Centaurs ended with a fine record of 6-3. Only a loss in the championship game against Vincent kept us from a "great season." The final score of 14-8 left us in second place in the Metro League.

Taking a close look at the past year's games, one can see that a total of 15 points in our 3 losses kept the Centaurs from an undefeated season.

With a fine group returning for 1978, including All-League selections; Pat Erdman and Kevin Litz, the football team should be mentally getting ready to "dominate" the league. Watch out for the "Green Machine" to be "great" in "78!"

For the first time in Tech's history, back-to-back championships were obtained by the 1977 J.V. Football Team. The J.V. football team set the best record of 9-0-2. They achieved 6 shut-outs and the J.V.'s gave up a total of only 36 points this season.

The offense was outstanding, scoring 268 points, the most points ever scored in a J.V. Season. They were lead by-A. Tate, K. Tingley, S. Lyons, G. Wells, and D. Palermo.

The defense was led by-G. Booth, A. Tucholoski, K. Meahl, G. Yurkewicz, P. McAndrew, and B. Glover.

The Girls golf team had a fair season this year. The girls practiced hard and played their best. This year's players were Marilyn Smith, Mary Miseta, Theresa Walk, Liz Williams, Lesa Shingle, Debbie Patterson, and Diane Schultz. All the matches were played at the JC Martin golf course and the highlight of the season was when the girls defeated East High who had been undefeated for the last four years.

GIRLS GYMNASTICS

1978 is the fourth year of competing girls gymnastics at Tech. Although there was plenty of talent and ability, the girls suffered one great drawback- the size of the team. Due to a number of injuries and other various situations, by the end of the season the team had dwindled down to just a handful of competing girls (who had to compete with 20-30-girl teams). The girls did however gain one win over Academy. This year's team was coached by Ed Fisher and assisted by Janet Bufalino. Managers were Sharon Stockman and Michelle Unger. Competing girls were:

The 1978 Girls Swim Team coached by Kim Mahoney had a record of 5 wins and 4 losses in their season. The first city meet was against Villa at Prep with the girls losing by a score of 19-57. The girls came back and beat Academy 96-61 with Tammy Fair and Tammy Mallin bringing in double wins for Tech. They also defeated East by a score of 105-23, Jeanne Haraczy, Nancy Cunningham and Tammy Mallin all having triple wins. The rest of the season continued with scores of 31-45 Vincent, McDowell 36-132, Villa 56-105, Academy 45-31, East 61-10, Vincent 85-82. There were many underclassmen swimming this year, so we are looking for a good team next year.

Mark Budny warms up for his next event.

This year's team, led by Co-Captain Mark Budny and J. D. McCrillis, faced tough competition from Vincent and Prep, ending up with third place in the city. Many records fell, with McCrillis taking the most individual honors. This sophomore set new varsity standards in the 100 yd. freestyle, 200 yd. individual medley, and the 50 yd. freestyle. Mark Budny finished his career with two more school records in the 200 and 500 yd. freestyle.

Tech left its mark in District 10 competition finishing in a respectable tenth place. J. D. picked up points by placing fifth in the 500 yd. freestyle and seventh in the 100 yd. freestyle. Diver R. Brown captured eighth place in his event while the 400 yd. freestyle relay team of Budny, McGrillis, Gibbs, and Sherman nailed down a seventh place.

The Tech girls tennis team improved individually, although the team record does not reflect this. Chris Dobuzinski played in the no. 1. spot this year, moving up from last year's no. 2. slot. Chris(2), Carol Rachochi(3), Sue Ananea(4), and Lisa Robaskiewicz(5) played the majority of the matches, while Elaine Pochatho and Heidi Pommer were dependable substitutes. Laurie Trocki and Rose Wray were reliable managers.

This years Tennis Team had a very good season although their record doesn't show it. Finishing with a 5-12 season our netman had a rebuilding year. With only one senior, Carl Miller, playing #2, the team was dominated by underclassmen, led by a 9th grader playing #1, Joe Eckendorf. The leading point getter on the team was Bob Quinn. Others seeing plenty of action were Tom Perry, Joe Herbert and Jim Bellotti.

TECH GIRLS TRACK CLAIM CITY AND METRO TITLE

Claiming both the City and Metro title for the third consecutive year, the girls stay undefeated. This year proved quite worthwhile due to much effort and hard work on both the team and coaches. School records were set by Sharon Frownfelter in the 880; Elaine Cross in the 440, Angela Sheilds in the 100 yard dash and 220, while Jeannie Rupp led in the hurdles. Looking at the city records, Kim Przepierski held it for both the mile 5:40.7 and also the two mile 11:50. Loretta Powell had a mighty throw of 39′5″ in the shot put. Karen Laskowski led in the triple jump with a standing 34′1″. The team was the first Erie girls team to ever win the District 10 title.

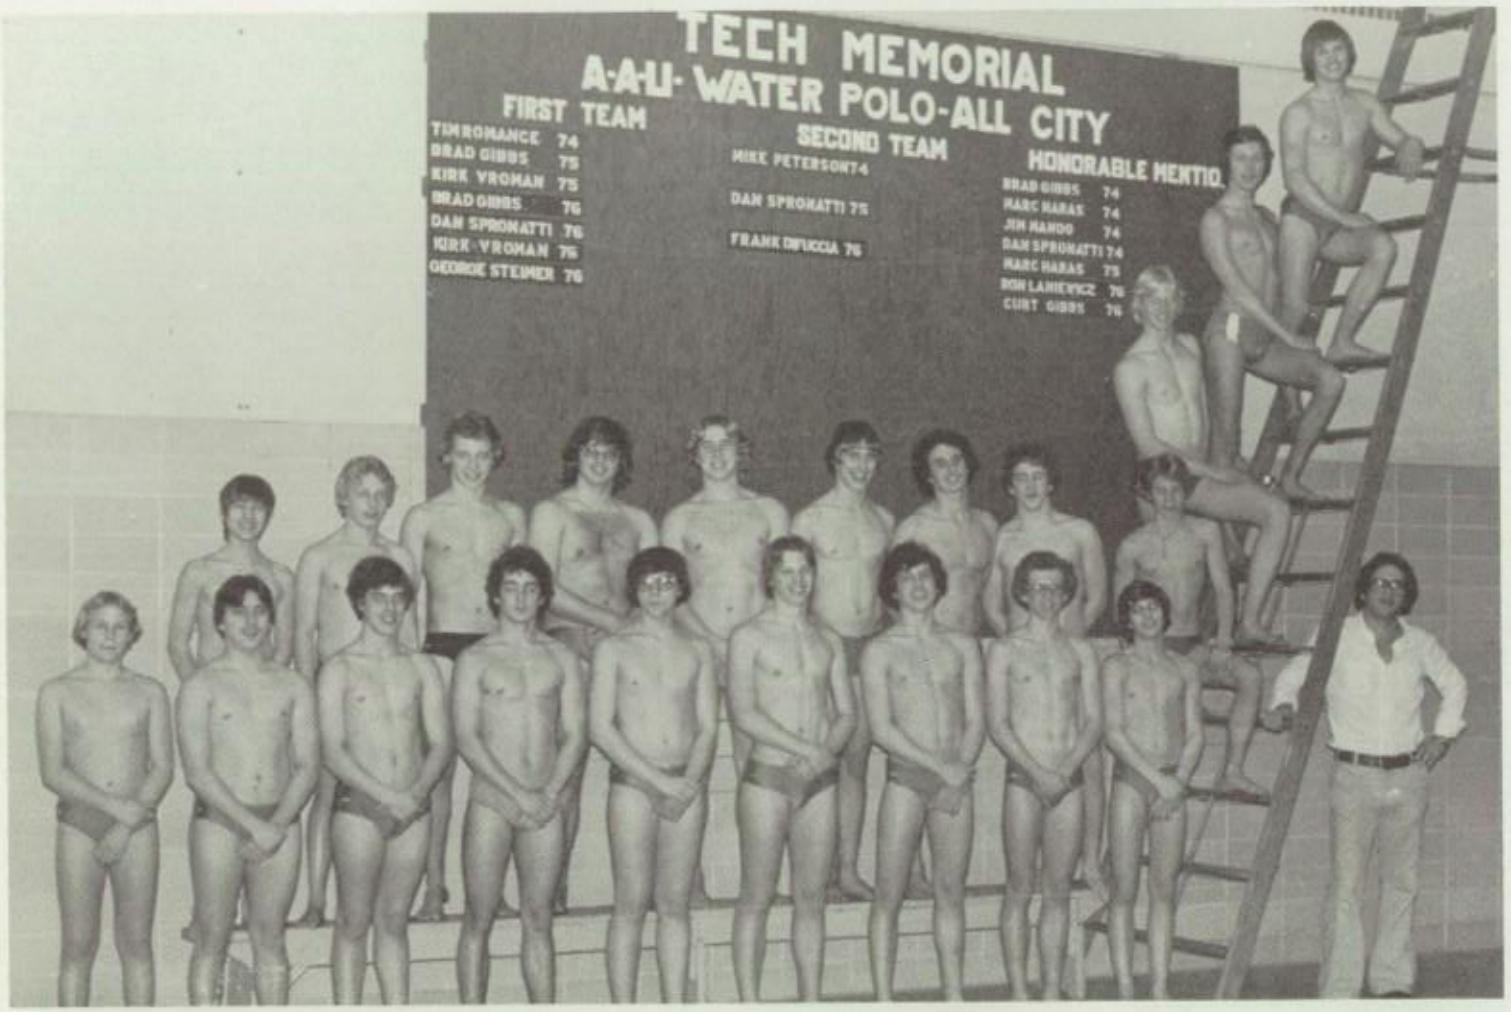
WATERPOLO



This was a re-building year after losing over a dozen players from last year's undefeated City Championship team. Curtis Gibbs and Ron Laniewicz returned for their last year to provide valuable experience to this year's squad. Senior Mark Budny and sophomore J.D. McCrillis added speed while senior Mark Bafik and junior Gary Loringer slowed down the opponents with their tight defense. Senior Ken Wienczkowski and junior Jeff Sturm alternated in the goal.

All the teams in the city were strong this year and Tech finished in the middle of the action suffering double losses from both Prep and Strong Vincent, but conquering Academy and East twice.

When the season was over and the All-City team was chosen, co-captain Curtis Gibbs found a spot on the First Team. Ron Laniewicz and J.D. McCrillis were named to Second Team, while co-captain Mark Budny, Jeff Sturm, and Ken Wieczkowski were selected as Honorable Mention.

With many experienced players returning next year, the team will be trying to re-capture the City-Championship.

Tech Wrestlers had a very successful season this year. They placed second in the city. We extend our congratulations for their outstanding efforts. Their showmanship made us proud to know they're a part of our school. Besides wrestling within city limits, they have also traveled to Northeast and Hickory.

In the city tournament, D. Smith & N. Carr won their final matches by pins, and Tom Carr by a 7-2 decision as the Centaurs came in 2nd behind Prep.

There were two outstanding freshmen this year: Terry Wayne and Ron Boyd. They both have identical records of 9-4, and both were runner-ups in the city tournament.

The Wrestlettes did a fantastic job of cheering our guys on to victory. They would like to thank all of the sports-minded fans who supported them throughout the season.

We, Tech student body, would like to thank Mr. Carr, Mr. and Mrs. Sinnott, and Gary Mazzocco for putting together Tech's dedicated group of wrestlers and wrestlettes.
